

LAKEVIEW HIGH SCHOOL LIBRARY

NOOK PERMISSIONS AND ACCEPTABLE USE POLICY

Introduction

The Barnes & Noble **NOOK** GlowLight 3 is a convenient, portable reading device. It is lighter than a paperback but capable of holding several thousand books. The NOOK features touchscreen technology and is equipped with the longest battery life of any eReader, lasting up to 50 days on just one charge. You will be able to turn pages, look up words, highlight passages, adjust font size and style by tapping the infrared-powered touchscreen. The chance to use this device is a **privilege** that we are able to provide to our students on the condition that they use extra caution and responsibility. **Each LHS Library NOOK/cover combination is valued at \$119.99.** We therefore require a parental signature before a NOOK can be assigned to a student.

This Acceptable Use Policy is valid for the remainder of this school year.
