

2020-21 High School Winter Sports Practice/Try-Out Info

Athletic Office - 269-565-3792

Lakeview Athletic Community,

Winter sports have been given a green light pending any further changes to the state shutdown ending on January 15th. Below is information regarding our winter sports programs. Please know that due to COVID, sports are fluid and subject to change at any time. Cancellations or delays are possible any given week and parents should plan to be flexible in the event something occurs. Coaches will be giving out more information on practice calendars, competition schedules, team rules, etc during the first week. We will continue to update the community as changes happen. We will be following all MHSAA safety recommendations for sports.

What to do: In the meantime, please go to our athletic website, click on registration, and complete your Final Forms Process if you haven't already. Final Forms is our online registration website where you'll complete all of your paperwork and pay your Pay-to-Play Fees. Please refrain from paying fees if your sport is a Try/Out sport until you know if you make the team. Please ensure you fill out ALL the paperwork on there for both parents and the student-athlete.

Physicals: If your child has a physical on file from last school year, you are only required to fill out a MHSAA health Questionnaire form. All physicals from last year are valid this year but it must be on file with us. The health form can be found in the Athletic Office, Final Forms or MHSAA.com. If your child does NOT have a physical on file from last year, they will need a new physical completed and on file before the 1st day of practice. Grace Health in our High School is available for your physical needs. Please call them to schedule an appointment or your local provider.

Competition Schedules: All Competition schedules can be found on lakeviewspartans.net under the appropriate sports that you are seeking. Please know changes do happen and always call the office for updates and/or questions.
