MICHIGAN ONLINE EDUCATOR CERTIFICATION SYSTEM

The Michigan Online Educator Certification system (MOECES) is a secure web-based system that allows educators to register and create private accounts and have access to all of their certification data, apply for certificates and endorsements, and renew their certificates. MOECES accepts only credit cards as payment for application services; Visa and Master cards are accepted.

MOECES can be accessed on any computer with internet access and an internet browser.

MOECES users include:

- Individuals who hold a valid or expired Michigan educator certificate.
- Individuals who wish to apply for or update a Michigan educator certificate.
- Michigan local and intermediate school districts/regional education service agencies, charter schools, and nonpublic schools.
- Michigan colleges and universities that have approved educator preparation programs.

To receive authorization to access MOECES:

- Click on the link to create a new login name and password.
- After creating your login name and password, click on the link to return to MOECES.
- Log into MOECES using the login name and password that you created.

PLEASE NOTE: If you already have a Michigan Education Information Systems (MEIS) account, you do not need to create a new login name and password. You can log into MOECES using the login name and password associated with your MEIS account.

Create a New MEIS Account

MEIS accounts are uniquely generated from the information you provide. Please **NEVER** share this information with anyone.

Note: All accounts **MUST** be individual user accounts. Accounts found that appear to be 'generic' (i.e. accounts that have school names, etc. entered in the Last Name / First Name fields) will be removed during periodic audits.

Please provide us with your Name.

When you log in to MOECs (after you have a MEIS login as noted in page 2) you will see something like this. The options will look different, but you should see “Manage Demographics” when you log in.

Certificate Renewal: If your teaching certificate is expiring and you need to apply for the renewal, this is where you need to be. You will see an option to apply for a certificate renewal. (Not found on this sample because I don't have that option as I do not hold a teaching certificate and I used my account for sample purposes.)
