

School Annual Education Report (AER) Cover Letter

2/12/24

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Lakeview High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the building principal for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,8761,1293,70, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Students enrolled in kindergarten through 4th grade attend one of four district elementary schools. Elementary school assignment is based on a student's neighborhood of residence. Students enrolled in grades 5 through 8 attend Lakeview Middle School, and students enrolled in grades 9 through 12 attend Lakeview High School.

Lakeview School District staff use school achievement and individual student assessment data to develop three to five year improvement goals. These goals help

inform further data analysis, staff professional development and changes to instructional delivery. Lakeview High School is looking to improve student college and career readiness by improving student organization and other academic behaviors. Lakeview High School will also use student performance data to identify high leverage tier one teaching strategies to improve classroom engagement.

The core curriculum represents learning objectives in place for all students. Lakeview School District continually assesses and reviews curriculum to ensure alignment with federal and state standards. Grade level and course content standards and benchmarks are available in the school office.

Aggregate student achievement data for assessments are included in the Annual Education Report. This data is used to monitor student growth and identify areas of improvement around instructional delivery. For the year 2021-2021, 18.3% of students met the both college and career readiness benchmarks on the SAT. For the year 2022-2023, 21% of students met both benchmarks.

Parent/teacher conferences are an important means of communicating between schools and home regarding a student's academic progress. Conference attendance during the 2022-2023 school year was 8.05% in the fall, 12.55% in the winter, and 6.81% in the spring.

The number of Lakeview High School students participating in dual enrollment options in 2021-22 were 79 students (6%) and 94 students (7%) in 2022-2023.

Lakeview High School offered 21 Advanced Placement (AP) or college equivalent courses in 2021-2022 and 21 in 2022-2023.

460 students (33%) were enrolled in AP classes in 2021-2022. 363 students (28%) were enrolled in AP classes in 2022-2023.

Of the students who took an AP class for college credit forty four (11.3%) earned credit in 2021-2022, and

As always, we will work towards the continuous improvement of our school. Our staff is committed to partnering with families to ensure that students have the best possible support towards their academic achievement and success. We celebrate the work towards student achievement, and we are committed to learning and growing alongside our students.

Please reach out if you have any questions.

Sincerely,

Cody Japinga
Lakeview High School Principal
